## Field Trip: Central State University

On November 8th, Focus Academy East students had the opportunity to visit Central State University. Twenty-four students took the bus ride from Columbus to outside of Dayton to experience this college tour. Highlights included the Water

Resources Management Program, Marauder Café, Athletics facilities and the Paul Robeson Performing Arts Center.

Students expressed what they liked most about the tour:

"I really liked the art and art building/program." -Daiyana Gossett

"The food in the cafeteria and how there were so many choices was something I liked most." - Kiyah Jameson

"I thought the tour guide was informative." - Camela Long
