

Immunization record certification

ORC3313.67 states that the board of education of each city, exempted village, or local school district may make and enforce such rules to secure the immunization of, and to prevent the spread of communicable diseases among the pupils attending or eligible to attend the schools of the district, as in its opinion the safety and interest of the public require.

This statement certifies that _____

_____ has received all immunizations required by the State of Ohio in order to attend a public school

_____ has provided a signed statement indicating that the student has had the natural disease (for chicken pox, measles or mumps)

_____ has provided a statement indicating that the student's parent/guardian declines to have the student immunized for reasons of conscience, including religious convictions

_____ has provided a physician's certification in writing that immunizations against a particular disease is medically contraindicated for the student

_____ None of the aforementioned options apply and so a referral for immunizations has been made to:

(Name of agency referral)
